NOVEMBER 2-3, 2016 | OMNI DOWNTOWN AUSTIN

CONFERENCE GUIDE

CONFERENCE SPONSORS

Deutsche Bank 

Welcome to the delegation of ***Talking Managed Futures and Global Macro: Strategies to Optimize Institutional Portfolios***. We are delighted you can join us and confident that you will receive a solid return on your investment in this event.

We formed Talking Hedge to bring together the best minds in alternative investing—allocators, managers and solutions providers—to have open and candid discussions about the challenges each group faces. Our events are designed specifically to give you time to talk and time to meet in a meaningful way. Our goal is for you to walk away with the information you need to meet the challenges of tomorrow.

We extend a special thanks to our partner Remy Marino and his team at **Deutsche Bank** for their partnership and creativity in helping us shape the discussion for a second consecutive year.

Our sincere appreciation to all of our sponsoring firms: **Abraham Trading Company, Arthur Bell, Campbell & Company, CME Group, Crow & Cushing, Efficient Capital Management, ISAM, Lyxor Asset Management, Quadratic Capital Management, RCM Alternatives, Sunrise Capital Management and Thales Trading Solutions** for recognizing the value of this forum and collaborating with us to ensure its success. A special shout-out to **RCM Alternatives** and **Arthur Bell** for sponsoring our opening reception!

We would also like to thank our stellar speaking faculty for taking the time to develop thoughtful and thought-provoking sessions that will provide much to discuss over coffee and cocktails.

We look forward to a constructive day of conversation and networking!

Kind regards,

Meg Bode

Prior to joining MLIM in 1995, Mr. Rzeszowski was responsible for the consolidation of managed futures risks at OMR Systems Corporation.

Mr. Rzeszowski earned a BA degree in economics and finance from the University of Pittsburgh.

ARVIN SOH

Arvin Soh is a Portfolio Manager and Investment Committee Member of GAM's Global Investment Solutions team with over twenty years of experience investing professionally. Within GAM, he is responsible for global macro and systematic investments along with the management of GAM Trading and numerous multi-strategy accounts. This also includes collaborating with the global sales and marketing team on new product development. Prior to joining GAM in February 2005, Mr Soh was a manager within the pension group at Pfizer, with primary responsibility for manager selection in international equity, global macro and currency funds. Before that, he was an assistant portfolio manager with a quantitatively-based fundamental hedge fund, and a vice president with Bankers Trust Asset Management focused on global markets. Mr Soh holds a BA in Economics from Cornell University and an MBA from the Wharton School of the University of Pennsylvania. He is based in New York.

CHRIS SOLARZ

Chris is a Managing Director of Cliffwater LLC in our New York office and a member of the hedge fund research team. Prior to joining Cliffwater in 2011, Chris was a Senior Analyst at SAIL Advisors, where he focused on manager selection and due diligence as Head of Research for tactical trading and relative value strategies. Previous experience includes working for ING Investment Management, Antarctica Asset Management, Societe Generale Barr Devlin, and CIBC World Markets.

He earned a BA in Economics and Anthropology from the University of Pennsylvania and a MComm in Finance from the University of New South Wales, where he was a Federation Scholar. Chris is a Certified Public Accountant, holds the Chartered Alternative Investment Analyst® designation, the Chartered Financial Analyst® designation, and is a member of the New York Society of Security Analysts. Chris has broken 6 Guinness World Records and has run marathons on all 7 continents and in all 50 US states.

CHRIS STANTON

Chris Stanton is the CIO of Sunrise Capital Partners, a pioneering macro investment firm that manages over \$700 million (as of September 1, 2016). In his role, Stanton oversees the implementation of all Sunrise investment programs and has co-developed many aspects of those programs with Sunrise's research and development team. Prior to joining Sunrise, Stanton traded extensively in a wide range of global commodity and currency markets as Vice President and Portfolio Manager for Deerhurst Capital Management and as Capital Markets Officer for JP Morgan. In those roles, Stanton managed multi-million dollar portfolios and conducted all market and fundamental risk analysis for those portfolios. Stanton holds a J.D. cum laude from the Northwestern University School of Law, has engaged in graduate studies at Northwestern's Kellogg School of Management, and earned a Bachelor of Science in Engineering and Applied Mathematics from Lehigh University.

STEVEN WILSON

Steven Wilson is a Portfolio Manager in the External Public Markets group at the Teacher Retirement System of Texas, a \$130 billion pension system serving 1.5 million active and retired educators and their families. Mr. Wilson works across the \$35 billion Hedge Fund and Long Oriented Equity allocations, with primary coverage in Managed Futures, Reinsurance and Emerging Markets strategies. Mr. Wilson received an MBA from the Rice University Jones School of Business, is a graduate of the University of Texas at Austin McCombs School of Business, and holds the CAIA designation.
